

# Buzzy 03 KL62

## The Buzzy family

The Buzzy was created by ZET design team combining a shell-shaped seat with a cruciform base creating a sleek look. The collection includes stools available in two different heights as well as tables and coffee tables.

## The designer

---

Designed by  
ZET Design Team

The relentless pursuit of quality combined with an unceasingly innovative spirit stands out in each and every one of the designs from ZET. They design wooden chairs that last a lifetime.

## Craftmanship

### Onze werkwijze

Our expertise in production techniques and design thinking was obtained through 4 generations of experience in the field. Together with the fully equipped, efficient contemporary production unit in Belgium, this forms the foundation of our brand's ambition. The aim is to bring people, nature and design together in high quality products.
