

Cup Cup lounge 03

The Cup Cup family

This collection is all about curved lines, which ensures the ergonomic comfort of both the seat and the backrest. They give the utmost support while remaining discrete and elegant. This collection features a range of options, can be finished in different colors and upholstered in fabric, leather or artificial leather.

The designer

Designed by
Luc Vincent

Luc Vincent is a Belgian product and graphic designer who works and lives in Brussels. He cannot be pigeonholed into one particular discipline. He's a versatile designer with a focus on functionality.

Craftmanship

Onze werkwijze

Our expertise in production techniques and design thinking was obtained through 4 generations of experience in the field. Together with the fully equipped, efficient contemporary production unit in Belgium, this forms the foundation of our brand's ambition. The aim is to bring people, nature and design together in high quality products.
