

The designer

Designed by
Axel Enthoven

Axel Enthoven is a Belgian designer. He is known for his participation in the jury of the program 'De bedenkers'. Enthoven and his company won several prizes, including the Red Dot and IF.

Craftmanship

Onze werkwijze

Our expertise in production techniques and design thinking was obtained through 4 generations of experience in the field. Together with the fully equipped, efficient contemporary production unit in Belgium, this forms the foundation of our brand's ambition. The aim is to bring people, nature and design together in high quality products.
