

Com

The Com family

The Com stool is a small piece of finesse. This Belgian design chair is not big, but very functional. Thanks to its size you can use it in different rooms as a side. We offer a large variety of colors and possibilities of this stool. Contact us to see what the different options are.

Designed by
ZET design team

The relentless pursuit of quality combined with an unceasingly innovative spirit stands out in each and every one of the designs from ZET. They design wooden chairs that last a lifetime.

Craftmanship

Onze werkwijze

Our expertise in production techniques and design thinking was obtained through 4 generations of experience in the field. Together with the fully equipped, efficient contemporary production unit in Belgium, this forms the foundation of our brand's ambition. The aim is to bring people, nature and design together in high quality products.
