

Ingrid K62

The Ingrid family

The Ingrid chair is reminiscent of a beautiful Danish blonde. The light-coloured wood base evokes a slender athletic form. This simple yet sophisticated chair is a classic in the making.

The designer

Designed by
Luc Vincent

Luc Vincent is a Belgian product and graphic designer who works and lives in Brussels. He cannot be pigeonholed into one particular discipline. He's a versatile designer with a focus on functionality.

Craftmanship

Onze werkwijze

Our expertise in production techniques and design thinking was obtained through 4 generations of experience in the field. Together with the fully equipped, efficient contemporary production unit in Belgium, this forms the foundation of our brand's ambition. The aim is to bring people, nature and design together in high quality products.
